## RANDALLSTOWN TRACK CLUB OUTDOOR TRACK PROGRAM

The outdoor track program has two parts, spring and summer. The spring program runs from April 1 until May 31, and the summer program run from June 1 until August 15. The spring program has between four and seven all comers track meets. The summer program consists mostly of Junior Olympics meets, other series meets, recreation level meets, and high-level invitational meets.

During the spring season the weather can be unpredictable, and daylight ends early. The practice is scheduled from 5:30 PM to 7:00 PM two days a week. In early spring the sun may set before the scheduled finish time. It is the responsibility of the parent to pick up their children at the time practice is finished, please be on time. Repeated failure to pick-up your children in a timely manner is grounds for dismissal. Since the temperature may be cold in early spring, we suggest that all athletes come to practice with coats or jackets, a sweatshirt, gloves, and a hat or cap that will cover the ears. Athletes can always take these clothes off, but can't put them on if they don't have them. The scheduled practice time will change in late May or early June to 6:00 PM until 8:00 PM; an announcement will be made at practice.

Every athlete will be issued a T-shirt with the club logo on it, before the first meet. They can keep this shirt. Depending on the number of athletes on the team, and the income we get from our fundraiser track meets, some athletes may be issued uniforms (singlet & shorts) later in the year.

Practice is very important, this is where skills are taught, and conditioning and training occurs. Missing practice can result in poor physical condition, and lack of event performance skills. Information about the team is given out at practice, along with meet results, directions, times, and dates of upcoming events. Please make an effort to attend all scheduled practices.

Everyone has unexpected things that come up. If, for any reason, you will not be with the team for an extended period, please inform the coaches in advance. If we find an athlete missing for an extended period, we will assume that that person has dropped out of the program. These athletes will not be considered for any meets, regardless of weather or not they have qualified for the meet. You must practice to participate in meets.

All meets in the spring are on Saturday or Sunday, while some summer meets can be two, three, or four days long. Track meets last from six to eight hours, and you should plan an hour drive to and from the meet. Normally the time of departure for a meet will be given out at practice during the week before the meet. Our team will meet in the parking lot of Randallstown High School; depart at the specified time, and car pool to the meet site. Please don't be late or we will leave you, rather than have the entire team late. The departure time is based on drive time, team warm-up time, and start time of the meet.

We cannot tolerate behavior problems with any child. If your child has behavior issues, you should be at every practice to monitor the child. Repeated misconduct of any child is grounds for dismissal.

Registration donations are final, and there will be no refunds. Please be certain that you want your child to participate in this program, before you register them for it. *There will be no refunds.*

Track and Field is an athletic sport, and as such presents the possibility of injury. ***Serious injury or death is possible while participating in this sport.*** Parents should caution their children about this, and warn them about doing things that may expose them to the possibility of injury. If there is a problem with an athlete's health or bodily injury, the coaches should be notified immediately.

*I understand the information presented above.*
